Warranty Terms and Conditions for products:

- Warranty services can be requested through the customer service department, and the customer will need to present the original invoice and, wherever possible, to the Authorised Service Representative.
- In case of a manufacturing defect, the company may repair or replace the product at its discretion.
- In such case, the warranty of repaired or replaced products will continue only for the unexpired period of the Warranty and defective products during the Warranty period are deemed the property of the Company or its Authorized Service Partner.
- There shall be no liability on the part of the Company for any delay or failure in performance caused by causes beyond its control, including the non-availability of any part, labour issues, government restrictions and regulations, public movement, war, and any other unavoidable or unforeseen circumstances, including force majeure events, especially with regards to raw materials and supplies imports.
- The Company will not be liable for economic loss, commercial loss, consequential liability, property damage, or any other harm suffered by the customer. (Liability limited to repair / replacement of product only).
- In the event that the same product or a product with a similar design is not available for some unforeseeable reason, the product will be replaced with an equivalent model available at that time.

Warranty excludes or does not apply:

- If the product is serviced or repaired by any person other than the Authorized Service Representative of the Company.
- A damaged, erased, tampered, or modified serial number or refurbished/modified product would be invalid.
- In the event of an accident, negligence, improper maintenance, mishandling, or tampering, incurred by the customer in transit, or attribution is attributable to the customer.
- Any damage caused by any electrical/civil installation(s), wiring, or third-party product defect.
- Any damage caused by unforeseeable circumstances such as a force majeure event, etc.
- If the customer breaches the Warranty Terms and Conditions, the installation and instruction guidelines, the recommendations of the Authorised Service Representative, and/or operates the product in a manner inconsistent with the product specifications, the warranty will be voided.
